**ADULT GENERAL PRICE LIST**

These Prices are Effective February 1, 2018. They are subject to change without notice.

The goods and services shown below are those we can provide to our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected. Except in certain special cases, embalming is not required by law. Embalming may be necessary, however, if you select certain funeral arrangements, such as a funeral with viewing. If you do not want embalming, you usually have the right to choose an arrangement that does not require you to pay for it, such as direct cremation or immediate burial. If you want to arrange a direct cremation, you can use an alternative container. Alternative containers encase the body and can be made of materials like fiberboard or composition materials (with or without an outside covering). The containers we provide are made of cardboard. There may be additional charges for certain items outside the control of the Funeral Home. These items include, but are not limited to, floral arrangements, religious honorarium, obituary notices, death certificates, funeral procession escorts, medical examiner authorization fee (for cremations), and cemetery fees.
